Sugar Museum Fast Update

July 2016 Update

Mahalo Volunteers!

In June, as a community service project, we were very happy to provide four sets of historical photos of plantation life for Maui Adult Day Care to display in their four facilities. We were able to accomplish this project by printing the photos in-house, and volunteers helped by trimming and mounting them. Pictured L-R: Volunteers Quinn Keller, David Mehres and Maui Adult Day Care Center's Executive Director, Darren Eugenio.

Call For Volunteers

The Sugar Museum depends heavily on its talented and versatile team of volunteers to make the museum all it can be. Currently, we are looking for volunteer tour guides (docents) for our Education Program. Docents are needed on Tuesday and Thursday mornings, from 9:30-11:30 a.m., September through May. This is a seasonal, on-call opportunity. All training and supplies are provided. If you are interested in Maui's elementary schoolchildren, and love telling stories, this is a good opportunity for you.

Please call us at 808-871-8058, or [visit our website](#) for more information. You can also [download our volunteer application here](#). We hope to hear from you soon!
